

We Can Help You With Your Patient Survey

At **cfep** we **understand** that accreditation can be a busy and time consuming process. We are able to minimise these symptoms by offering a quality product supported by exceptional service to assist in the patient survey component.

The Practice Accreditation and Improvement Survey (**PAIS**) is a RACGP 4th Edition approved patient questionnaire designed by patients and staff for practices.

cfep has you covered every step of the way with:-

- **SUPPORTING** practices since 1996
- A **BRIEF**, highly validated and reliable patient-friendly questionnaire
- **EASY** to administer survey
- **FAST** completion
- **MINIMAL** disruption
- **SUPPLY** of all survey materials
- **TIMELY** return of report
- **FEEDBACK** that is informative and easy to follow
- **EXTENSIVE** benchmarks with scores compared against those from 900 practices across Australia
- **ADDITIONAL** services offered with minimal cost and maximum benefit
- **FRIENDLY, PERSONAL** telephone support
